

One of the most important things you can do to prepare your home for floods and storms is to put together a

Home Emergency Kit

Your Home Emergency Kit should contain:

- Portable radio with spare batteries
- Torch with spare batteries
- First aid kit (with supplies necessary for your household)
- Candles and waterproof matches
- Important papers including emergency contact numbers
- Copy of any Home Emergency Plans (eg. Home FloodSafe Toolkit - available from the SES)
- Waterproof bag for valuables

If you have to evacuate, add to your Home Emergency Kit:

- A good supply of required medications
- Any special requirements for babies, the disabled, infirm and/or elderly
- Strong shoes
- Fresh food and drinks

Your Home Emergency kit should be kept in a waterproof storage box. Check your Home Emergency Kit contents regularly and restock any out-of-date items such as batteries.

For emergency help in floods and storms call the SES on

132 500
