

What I will do with my animals during an Emergency

Animals need to go with you if you have to evacuate your home. It is safer for them and for you.

Please take a few minutes to complete this plan.

STEP 1 What I will take for my animal(s) if we have to leave

Decide the essential things your animal(s) needs for 3-7 days. You may not be able to get home for a while.

You can pack them into a *Grab and Go Bag*, so you are ready to leave quickly. Remember to take it with you wherever you go.

My Grab and Go Bag is located here:

| <input type="checkbox"/> Bedding | |

Microchipping your animal and registering them with the NSW Pet Registry at www.petregistry.nsw.gov.au will help reunite them with you if separated during an emergency.

STEP 2 How I will contain and transport my animal(s)

Check you have enough crates, carriers, cages and leads. Also work out with your transport how many trips you will need to take.

Remember to secure/contain your animals asap, so they are safe while you get ready and close at hand so you can leave quickly.

STEP 3 When and where I will go to be safe with my animal(s)

Leaving early and going to stay with family/friends is often most comfortable and convenient.

Evacuation centres may be opened and you can always take your animals along with you.
